2. Online IPE Guidelines

I. POLICY ACCEPTANCE INFORMATION

Online Independent Physical Education (IPE) is an option for students in grades 6-10 who compete in an *individual* sport to an exceptional degree of competition. The student must be a nationally ranked athlete, or equivalent, performing or competing at a nationally recognized level ([see Sports Qualifications](#)). Students must have and maintain at least a 2.0 GPA to be eligible for IPE.

Team Sports are not eligible for IPE.

A student cannot be placed into (IPE) unless he/she applies, submits a completed application, and is approved prior to the start of the semester. **(IPE) applications are to be submitted prior to the start of the semester.**

ALL of the following must be included for consideration in the Online IPE Program. (Incomplete applications will not be considered for approval):

- **Email Verification received upon submitting the application online which includes:**

- 1. Signed “GUIDELINES FOR ONLINE INDEPENDENT PHYSICAL EDUCATION” (IPE) (Signed by Parent, Student & Coach - below.)**

- 2. Weekly Practice Schedule – See Below**

- 3. Competition Schedule – See Below**

- 4. Printed & Highlighted Verification of Ranking or Level of**

Competition/Performance – *Provided by Family*

- From a sanctioned independent ranking organization for the specific sport/activity. See IIA. - Print and include this documentation within your IPE Application Packet.

II. GUIDELINES FOR ONLINE INDEPENDENT PHYSICAL EDUCATION (IPE)

A. Verification of Ranking, if unsure, see [Sports Qualifications](#) – Provide a current and verifiable rank of national or equivalent level, or must provide evidence of individual competition/performance at an exceptional level, generally equivalent to a national level. **Highlight what is qualifying your student for IPE. (Scores/Times).**

B. Requests for Online IPE must be approved by the school site Administration or district administrator.

C. Students requesting placement in IPE may first be enrolled in a physical education class. The student is to continue to attend and participate in that class until the Online IPE application has been approved and the student's schedule reflects enrollment in the course.

D. The IPE sport must be a regularly scheduled instructional activity meeting each week during the semester under the ongoing supervision of a qualified instructor. Students must complete each semester.

Online IPE Guidelines (continued)

- E. A grade for (IPE) will be calculated based on scores from the Online P.E. Course (assignments, quizzes, tests, and exams). Also, by sports activity hours, called “Activity Logs,” where verification is submitted monthly to the Online Instructor, this (can include practices and competitions). **Failure to turn in monthly work samples will result in a grade penalty and possible removal from the Online IPE program.**

- F. **Students must maintain a satisfactory academic status with a minimum 2.0 G.P.A., regular attendance, and satisfactory campus and classroom behavior to remain in Online IPE.**

- G. If an athlete cannot actively participate in IPE for more than ten consecutive days because of injury or some other reason, he/she must notify the site Admin.

- H. **Students must be off-campus and under parent or guardian supervision during their Online IPE period.**

- I. All 7th and 9th grade IPE students will be expected to test for the annual Physical Fitness Testing (PFT) in the Spring of 2025. Sites, locations, and times will be determined in the Spring of 2025 and shared with families, offering opportunities to assess for the state-mandated testing.

Your signature below indicates that you have read and agree to provide all qualifying documentation to the site Administrator in charge of IPE and abide by ALL CUSD Guidelines for Online Independent Physical Education stated in this document.
